

Baby Celebrity Name Game

Before the baby shower, make name tags for the guests. The names have to be Celebrities baby names – see names below. Put the name tags on each baby shower guest's back or shirt as they arrive. Tell them they cannot look at their own tag. Inform the baby shower guests of the rules. You have to try to guess what you are by asking "Yes" or "No" questions about who the parents are or in reference to their child name. When the baby shower guest figures out what the name is, then they can remove the paper off of their back. First guesser wins a baby shower prize.
